Westlake Thunder Band Program

*Marching Thunder, Advanced Wind Symphony, Advanced Jazz Ensemble, Percussion,
Symphonic Band, Early Morning Jazz Band, Concert Band*

Dear Supporter of Music,

In just a few short years, the Westlake Marching Thunder Band has become one of the top High School Marching Band programs in the State of Utah, capturing two State Championships, and several top 10 Bands of America Regional finishes since opening in 2009. We just returned from our first appearance at Grand Nationals in Indianapolis, Indiana in 2016 and are proud to announce that we have been invited to participate in the 2018 Rose Parade in Pasadena California. We are proud to be an organization that strives for excellence on and off the field. As you can imagine, our program is growing very quickly. We now march and perform in the 5A division—the largest division in the State. This kind of growth brings with it financial and logistical challenges.

The Westlake High School Band Booster organization provides support to the WHS Band Program through countless hours of volunteer support, as well as parent/student fundraising efforts. Booster Club members work hard throughout the year to raise funds. Students and their parents participate in clothing drives, pancake breakfasts, and service oriented fundraisers. We do not receive funds from our school or district so all funding is provided via fees and fundraising. This year our Booster organization is raising funds for new uniforms at a cost of \$70,000 for the full band, as well as trying to reduce travel costs for the 2018 Rose Parade tour which currently sit at \$1359 per student.

Can we count on your support for our award-winning music program for the 2017-2018 school year?

In return for your contribution, we will advertise you, your business, or your organization as one that supports music in our schools and our ongoing efforts to enrich community and school musical offerings. Sponsors are acknowledged according to your Sponsorship level of involvement. Please see the attached information for details and let us know what works best for your organization.

Thank you in advance for supporting music at Westlake High School and in your community.

Sincerely,

Charlotte Ducos
