

Westlake Marching Thunder 2018

Dear _____,

Along with the entire Westlake Marching Thunder, I am honored and excited to represent the State of Utah in the 129th Pasadena Tournament of Roses Parade on January 1st 2018. We are working hard to prepare for this once in a lifetime experience. Part of this hard work includes raising the funds needed to prepare for and make the trip. The program fees are \$825 and travel is right around \$1300. We are fundraising as a band to try to decrease these amounts, but for right now, it is my responsibility to come up with the full amount. I would be so grateful for your help in sponsoring my Rose Parade experience. Thank you so much for your support!
